18:10 – 19:00	Session	Session	Session	Oral Session
20:00	Dinner	Dinner	Dinner	Social Dinner*

AIS 2026 & IAISS 2026

As in previous editions, the conference will be co-located with the *International Artificial Intelligence Summer School (IAISS 2026)*, fostering a unique and stimulating environment for interdisciplinary exchange.

This co-location is intended to strengthen the interaction between researchers, practitioners, and students, promoting the cross-fertilization of ideas and the development of new collaborations within the artificial intelligence community.

All conference participants will have full access to IAISS 2026 activities, including IAISS 2026 keynote lectures delivered by leading experts, thereby enriching the overall scientific experience and providing additional opportunities for learning, discussion, and networking.

IAISS 2026 Lecturers

Stefano V. Albrecht, *Nanyang Technological University, Singapore*

Mikhail Belkin, *University of California San Diego, USA*

Giuseppe De Giacomo, *University of Oxford, UK*

Jamie Hayes, *Google DeepMind, UK*

Sumi Helal, *University of Bologna, Italy*

Marine Le Morvan, *INRIA Saclay, France*

Bruno Lepri, *FBK, Italy*

George Paliouras, *National Center for Scientific Research "Demokritos", Athens, Greece*

Panos Pardalos, *University of Florida, USA*

More Lecturers TBA

IAISS 2026 Lectures

Useful Information

1. **Registration:** *Sept 20 @ 16:00 – 19:30* (in the foyer of the conference centre near The Crown conference room). Inside the Riva del Sole it is mandatory to wear the badge.
2. Conference Room: **The Crown** (in the conference centre of the Riva del Sole Resort & SPA, num 7 on the resort map).
3. **Very Important:** *during lessons and Q&A sessions, absolute silence is recommended, you must not make noise, you must not disturb the Lecturer during the lesson or while she/he is answering questions posed by the audience.*
4. **Group Photo:** *Sept 21 @ 13:00 Meeting point: terrace adjacent to the restaurant.*
5. **Resort Map** and **Castiglione della Pescaia Map**.
6. In the program you will find the list of **accepted posters**. The **Poster Session** will be held on **Sept 24 @ 15:00** . The Poster Session will be held in the **Da Vinci Conference Room** (first floor of the Congress Centre, number 6 on the resort map). The Summer School Organisers will provide all necessary supplies for mounting the posters (tape, etc).
7. Obviously, *we recommend bringing your work laptop.*
8. Inside Riva del Sole Resort & SPA, **badges must be worn at all times**.
9. **For social dinner on the Sept 24, we advise everyone to dress up (jacket and tie, suit, etc.).*
10. **Certificates** will be given out on the last day of the course. To receive the certificate you must have at least 85% of class attendance (we have CNNs/Transformers to compute and infer attendance ;-).
11. One last thing do not forget bathing suits, sunscreen, and stay hydrated.
